Brandy Antinori

In a thirty-year period our brandy is only made four times, in very limited quan- tities. It is aged for six years in small oak barrels and has a typical very soft, elegant style.

Tasting note

The Antinori brandy is a spirit with a well defined personality: honied highlights in its colour, intense aromas of oak and vanilla which accompany notes of orange flowers and tea to complete the bouquet. the palate is warm, supple, and velvety with excellent length on the finish and aftertaste.
