Donna Cora Satèn 2015

Classification
Franciacorta DOCG

Vintage
2015

Climate
The 2015 vintage's growing season was characterized by higher-than-average temperatures that gave the wine greater structure, complexity and aging potential.

Vinification

Grapes were harvested exclusively by hand. Whole Chardonnay clusters were brought to the cellar, gently pressed and the free-run juice from the first pressing was transferred into temperature controlled stainless steel vats where primary alcoholic fermentation took place. The following spring, the wine began secondary fermentation in the bottle with a lengthy period of aging on the lees.

Historical Data

The Montenisa estate is located around the hamlet of Calino, near Lake Iseo in the heart of the Franciacorta appellation. The vineyards surrounding the proprietary villa of the Maggi family have been the heart of the production of Marchese Antinori Franciacorta since 1999.

Tasting Notes

Donna Cora is an intense straw yellow color. Its creamy mousse and delicate, persistent perlage define the finest qualities of Franciacorta Satèn. On the nose, it's polished and refined with notes of white flowers and pleasant aromas of white pulp fruit. A well-balanced and harmonious palate accompany its intriguing structure and complexity.
